THE VICTORIA CROSS.

(Instituted 29th January, 1856.)

Ordinances of 22nd May, 1920, 9th May, 1938, 21st August, 1939,
25th January, 1941 and 31st December, 1942.

1. *Style.*—It is ordained that the distinction shall as heretofore be styled and designated "The Victoria Cross," and shall consist of a Maltese Cross of bronze with Our Royal Crest in the centre and underneath it an escroll bearing this inscription: "For Valour."

2. *Riband.*—It is ordained that the Cross shall be suspended from the left breast by a red riband, one inch and a half in width, and on those occasions when only the riband is worn a replica of the Cross in miniature shall be affixed to the centre of the riband.

3. *When awardable.*—It is ordained that the Cross shall only be awarded for most conspicuous bravery or some daring or pre-eminent act of valour or self-sacrifice or extreme devotion to duty in the presence of the enemy.

4. *Posthumous award.*—It is ordained that the Cross may be awarded posthumously.

5. *Gazettement and registration.*—It is ordained that the names of all those persons upon or on account of whom We may be pleased to confer or present the Decoration shall be published in the *London Gazette*, and a Register thereof kept in the Office of Our Principal Secretary of State for War.

6. *Eligibility.*—It is ordained that the persons eligible for the Decoration of the Cross shall be:—

(1) Persons of any rank in the Naval, Military and Air Forces of Our United Kingdom of Great Britain and Northern Ireland, of India, of Burma, of Our Colonies and of territories under Our suzerainty, protection or jurisdiction or under Our jurisdiction jointly with another power, or belonging to any other part of our Dominions, Our Government whereof has signified its desire that awards of the Cross shall be made under the provisions of this Our Warrant, or belonging to any Territory under Our protection administered by Us in such Government, including the Home Guard and any lawfully constituted force corresponding thereto, and, in India, members of the Frontier Corps and Military Police, and members of the Indian States' Forces, and, in Burma, members of the Burma Frontier Force and Military Police, and including also members of the Naval, Military and Air Force Nursing Services and of the Women's Auxiliary Services;

(2) Members of Our Merchant Navy;

(3) Our faithful subjects and persons under Our protection in civil life, male and female, serving regularly or temporarily under the orders, directions or supervision of any of the above-mentioned Forces or Services.

7. *Bars.*—It is ordained that if any recipient of the Cross shall again perform such an act of bravery, as would have made him or her eligible to receive the Cross, such further act of bravery shall be recorded by a Bar to be attached to the riband by which the Cross is suspended, and for every such additional act of bravery, an additional Bar shall be added, and any such Bar or Bars may be awarded posthumously. For every Bar awarded a replica of the Cross in miniature shall be added to the riband when worn alone.

8. *Recommendations.*—It is ordained that every recommendation for the award of the Decoration of the Cross shall be made and reported through the usual channel to the Senior Naval, Military or Air Force Officer Commanding the Force, who shall call for such description conclusive proof as far as the circumstances of the case will allow, and attestation of the act as he may think requisite, and if he approve he shall recommend the grant of the Decoration to Our Lords Commissioners of the Admiralty, Our Secretary of State for War or Our Secretary of State for Air as the case may be, or, in the case of any of Our Dominions, the Government whereof shall so desire, the appropriate Minister of State for the said Dominion, who shall submit to Us the names of every one so recommended whom they shall consider worthy.

9. *Collective gallantry.*—It is ordained that in the event of any unit of Our Naval, Military or Air Forces, consisting in the case of our Navy of a squadron, flotilla or ship's company, or of a detached body of seamen or marines; or in the case of our Army of a regiment, squadron, battery or company, or of a detached body of soldiers; or in the case of Our Air Forces of a squadron or other body of airmen, having distinguished itself collectively by the performance of an act of heroic gallantry or daring in the presence of the enemy in such a way that the Flag, General, Air or other Officer in Command of the Force to which such a unit belongs, is unable to single out any individual as specially pre-eminent in gallantry or daring, then one or more of the personnel comprising the unit shall be selected to be recommended to Us for the award of the Victoria Cross in the following manner:—

(a) When the total personnel of the unit does not exceed 100, then one officer shall be selected for the Decoration by the officers engaged; and in like manner one warrant officer or petty officer or non-commissioned officer of the unit shall be selected by the warrant officers, petty officers or non-commissioned officers engaged, and one seaman, marine, private soldier, or aircraftman shall be selected by the seamen, marines, private soldiers or aircraftmen engaged.

- (b) When the total personnel of the unit exceeds 100 but does not exceed 200, then the number of seamen, marines, private soldiers or aircraftmen to be selected in the manner described in (a) shall be increased to two.

2. *Description.*—The Royal Observer Corps Medal shall be in cupro-nickel, in the form of a circular Medal, bearing on the obverse the Crowned Effigy of the Sovereign and on the reverse a representation of an Elizabethan coast-watcher, holding aloft a torch and standing by a signal fire, the whole surrounded by the inscription "The Royal Observer Corps Medal."

3. *Ribbon.*—The Medal shall be worn on the left breast suspended from a ribbon one and a quarter inches in width, which shall be in colour light blue, with a central stripe of silver-grey and narrow dark blue stripes on either side of the central stripe.

4. *Eligibility (Royalty).*—The Medal may be worn by Us, Our Heirs and Successors, Kings and Queens Regnant of Great Britain, Ireland and the British Dominions beyond the Seas, and it shall be competent for Us, Our Heirs and Successors, to confer at Our Pleasure the award upon any Prince or Princess of the Blood Royal.

5. *Eligibility (General).*—The Medal may be conferred on Officers and Observers (including women Officers and women Observers) of Our Royal Observer Corps who have completed a total of twelve years' satisfactory service and are recommended by the Commandant of the Corps as being in every day deserving of the award.

6. *Reckoning of service.*—

(a) Service as a member of the Royal Observer Corps (formerly entitled the Observer Corps) under Air Ministry administration on and after the 24th August, 1939, excluding the "stand-down" period, 5th May, 1945, to 31st December, 1940, may be reckoned towards the period of service requisite for the Medal.

(b) Service as a Special Constable employed on observer duties in the Observer Corps under Home Office administration before the 24th August, 1939, excluding any period of service which has already been reckoned towards the award of the Special Constabulary Medal or any Clasp thereto, may be reckoned towards the period of service requisite for the Medal.

(c) Full-time salaried or paid service between 3rd September, 1939, and 5th May, 1945, may be reckoned in full towards the period of service requisite for the Medal. One half only of full-time salaried or paid service performed at other times may be reckoned for the purpose of the award.

7. *Continuity.*—Only continuous service shall normally be reckoned, but service broken by a period of service in the armed forces may be reckoned by members who re-join the Corps within six months of leaving the armed forces. Members who re-joined the Corps within six months of the end of the "stand-down" period will be permitted to reckon otherwise unbroken service rendered before 5th May, 1945.

8. *Clasp.*—A Clasp to the Medal, to be attached to the ribbon when the Medal itself is worn, may be awarded on the completion of each additional twelve years of qualifying service after the end of the qualifying period for the grant of the Medal. The reckoning of such service will be governed by the rules relative to the reckoning of qualifying service for the Medal itself, set out in the sixth Clause of this Our Warrant.

9. *Registration.*—The names of all those to whom the Medal or Clasps are awarded shall be recorded in Our Air Ministry.

10. *Names of recipients.*—The names of recipients shall be engraved or stamped on the rim of the Medals.

11. *Order of wear.*—In the official list showing the order in which Orders, Decorations and Medals shall be worn, the Royal Observer Corps Medal shall be placed after the Special Constabulary Medal and before the Union of South Africa Commemorative Medal.

12. *Miniatures.*—Reproductions in miniature, which may be worn on certain occasions by those on whom the Medal is conferred, shall be approximately half the size of the award and a sealed pattern of the miniature Medal shall be kept in the Central Chancery of Our Orders of Knighthood.

13. *Delegated power to make awards.*—Delegated power to make awards under the terms of this Our Warrant shall be vested in Our Secretary of State for Air.

This Hospital, founded by Sister Agnes (Miss Agnes Keyser) in 1899 in her own house, 17, Grosvenor Crescent, was destroyed by enemy action in January 1941, and the present building, Beaumont House, Beaumont Street, London, W.1, was opened in October, 1948, by Her Majesty Queen Mary.

The Hospital has both single rooms and small wards. All commissioned officers, serving, retired or ex-temporary, are eligible for admission.

The Council has as its object the provision of accommodation for officers of the three services at the lowest possible cost. Patients who were subscribers before the necessity to enter hospital became apparent pay 10 guineas a week for private rooms, and 7 guineas for ward beds; non-subscribers are asked to pay more. Serving officers are entitled to free nursing and maintenance in the ward beds. Extra charges are kept to the minimum, and are constantly reviewed. The ability of the patient to pay is always considered.

The Hospital is mainly for surgical and medical cases, and has its own Medical Officer, a qualified Physiotherapist, and an X-ray apparatus.

The Hospital has its own consultant staff, whose fees are in accordance with the patient's means on a scale approved by the Council. Patients may, however, still make their own arrangements with any physician or surgeon of their choice if they so desire.

The Hospital has been disclaimed by the Minister of Health, and is therefore entirely dependant on voluntary support. Subscribers are asked to pay £1 yearly by banker's order, which can be obtained from the Honorary Appeal Secretary, Commander Sir Jameson Adams, K.C.V.O., C.B.E., D.S.O., R.N.R., 175, Piccadilly, W.1, who will also be pleased to receive donations.

THE ROYAL AIR FORCE BENEVOLENT FUND

(For the help of all ranks in memory of those who died serving)

Head Office : 67, PORTLAND PLACE, W.1

Telephone :—LANGHAM 8343-9

President : H.R.H. THE DUCHESS OF KENT

Chairman of Council : The Rt. Hon. LORD RIVERDALE, G.B.E.

THE ROYAL AIR FORCE BENEVOLENT FUND was founded in October, 1919, by Lord Trenchard to secure lasting benefits for the personnel of the Flying Services and their dependants in commemoration of their achievements during the Great War 1914—1918.

A Memorial to the Officers and Men who lost their lives stands on Victoria Embankment overlooking the Thames, and was unveiled by H.R.H. the Prince of Wales in July, 1923. An inscription, in remembrance of those men and women of the Air Forces of every part of the British Commonwealth and Empire who gave their lives in the 1939-45 war, was unveiled by Marshal of the Royal Air Force Viscount Trenchard at a ceremony on 15th September, 1946.

The Fund exists for the relief of distress among past and present members of the Royal Air Force, Royal Auxiliary Air Force, Royal Air Force Reserves, Women's Royal Air Force, Women's Auxiliary Air Force—and their dependants. It must, therefore, be prepared to help :—

The disabled, and the dependants of those killed flying.

Other casualties and their dependants.

Sufferers on account of sickness and general distress.

Expenditure on all forms of relief in 1950 amounted to £608,816. Since the Fund was established in 1920 in which year help given amounted to £919, a total of £3,998,682 has been provided on all forms of assistance. Of this amount £1,989,301 has been expended in the last three years.

The Royal Air Force Benevolent Fund exists for a Service that trains as well as fights in the air, and provides relief for cases arising from casualties in war as well as from flying accidents and ordinary distress in peace. It must therefore be prepared to render help indefinitely.

The Council trust therefore that the Service and general Public will respond generously and unremittingly to their appeal, and so enable the Fund to continue its increasingly valuable work of the last thirty years.

How to send Help

KITCHENER MEDICAL SERVICES SCHOLARSHIPS

Medical Services scholarships, for which the money is provided by the Services, are awarded annually by competitive selection—

- (a) to sons of officers and men or women, or of ex-officers and men or women, of the Regular Forces, or
- (b) to sons of officers and men or women, or of ex-officers and men or women, of the Reserve and Auxiliary Forces,

who served in the Great War of 1914–18 and/or the World War of 1939–45, who are over 17 and under 20 years of age on the 1st January of the year of application (but the Committee may consider applicants over 20 who had before that age begun an approved medical course) and who require financial assistance to enable them to undergo a course of medical education with a view to obtaining commissions in the Medical Branches of the Royal Navy, the Army or Royal Air Force.

The scholarships are limited in number, at present to five each year, of which one is for service in the Royal Air Force, two for the Royal Navy and two for the Army. The value of each scholarship is dependent on the financial resources of the scholar's family. The scholarships are granted on the condition that the scholar, on becoming qualified to practice medicine and surgery, will apply at once for a commission under the current Regulations in the Medical Branch of the Service for which he was selected and that, if granted such a commission, he will render not less than five years' actual service on full pay; if, however, he does not continue in the Service and served for at least fifteen years, the money spent by the Service on his scholarship will be deducted from any gratuity that may be due to him on relinquishing his commission.

Applications can be received only in January or February of each year, and must be made on an application form obtainable as below.

Further details of these and other Kitchener Scholarships for University courses for sons of Service parents may be obtained on application to—
